

North Harrison Cougar Band TriState Information

Welcome to North Harrison Community Schools!

We have a unique setup as we are splitting usage between our middle school and high school. North Harrison **Middle School** will be used for everything pre-performance: unit check-in, changing facilities, percussion equipment staging for warm up, and unit warm up. North Harrison **High School** will be used for tarp and prop staging and unit performance. There will be lots of signage in addition to detailed maps in this packet.

We are a CASH ONLY venue!

Per TriState regulations, mask wearing will be enforced.

Please note cell reception is spotty here in Ramsey. The best places to get cell reception are outside in a parking lot, and usually in the high school gym.

Please review all of the maps (below) for parking, warm-up areas, etc.

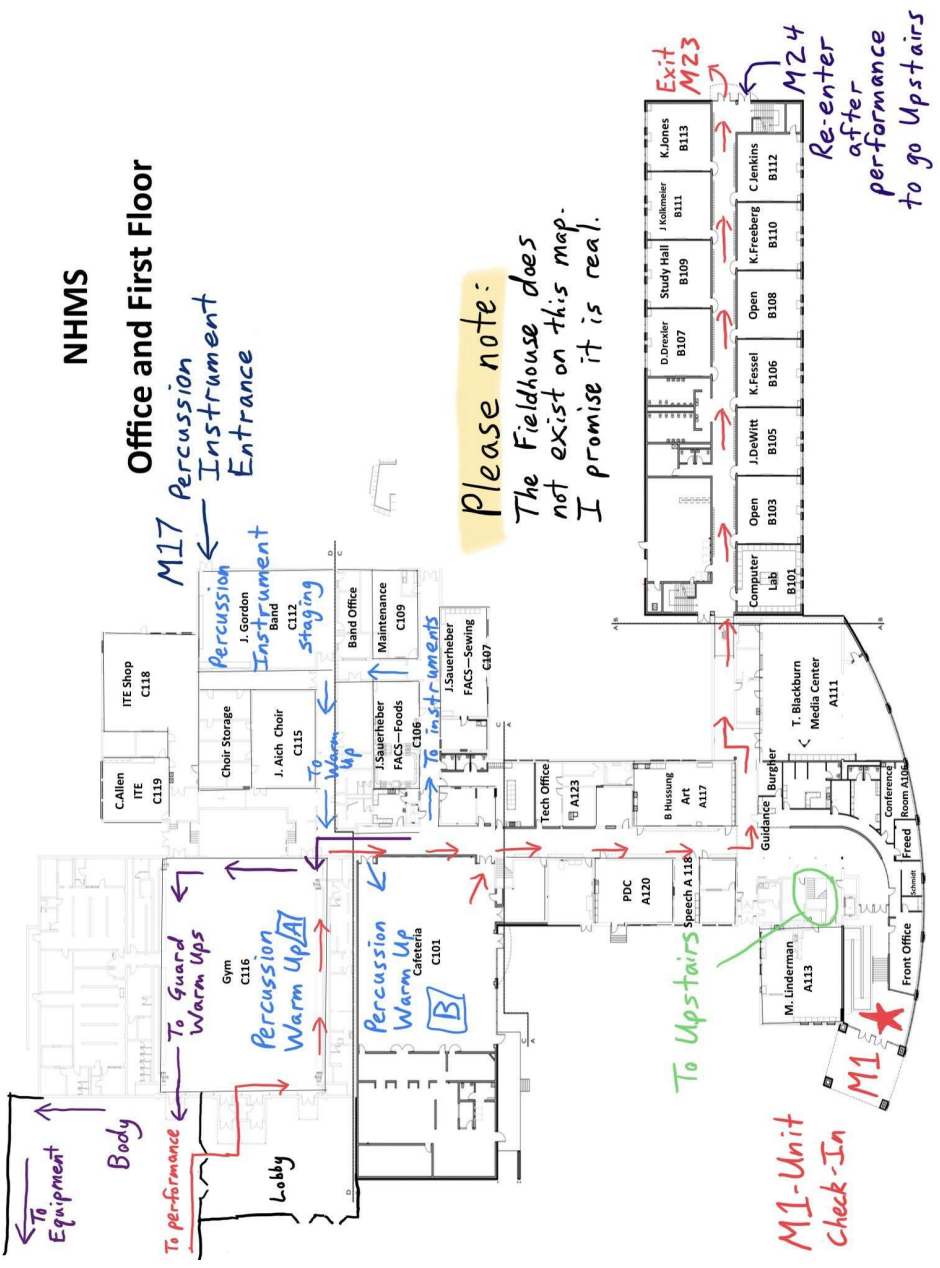

Sincerely,
Jennifer Gordon, Director of Bands
North Harrison Middle and High Schools
